

Capital / direct product lines

MYCRONIC (MYDATA)

www.mycronic.com

(MI)

- Extremely flexible **pick-and-place equipment** for prototype, high-mix and production operations
- Stencil Free Solder paste **jet printer**
- SMD Towers for Automated component storage with temperature and humidity control
- Dispensing equipment for automated fluid dispensing and conformal coat application

OMRON Inspection Systems

<http://inspection.omron.eu>

(MI)

- 3D SPI, 2D and 3D AOI
- 3D AXI (automated X-ray) inspection

TERADYNE www.teradyne.com

(MI)

- Production board test systems** and automation solutions provide electronics manufacturers with reliable high-quality PCBA testing at the highest fault coverage rate without sacrificing throughput.

VJ Electronix www.vje.com

(MI)

- High resolution **X-ray** inspection systems
- X-Quik** X-ray parts counter systems
- Medium and high end BGA rework systems with scavange capability

Hentec-RPS Automation

www.rpsautomation.com

(MI)

- Selective Solder** Systems and Solutions

TAKAYA texmac.com/takaya/

(MI)

- Flying Probe** PCB Test systems and Solutions

FLEXLINK www.flexlink.com

(MI/OH)

- PCB Assembly **conveyor systems**
- Industrial conveyor systems

Kolb Cleaning Technologies

atekllc.com/product-category/kolb-cleaning-products/

(MI)

- Stencil Washing systems** that also clean misprints, pallets, squeegees, and more
- Cleaning chemistries for not only Kolb systems, but for ANY cleaning system on the market at a great price.

ASSCON Vapor Phase Reflow

atekllc.com/product-category/asscon-vapor-phase-reflow/

(MI)

- High quality **Vapor Phase Reflow** systems

IP Systems ipsystemsusa.com

(MI/OH)

- Process fume extraction systems** for reflow, wave, selective, potting, conformal coating & industrial applications

Solderstar www.solderstar.com

(MI)

- Thermal profiling systems** for electronics manufacturing. Solutions for reflow, wave, selective solder, vapor phase. Real time monitoring of every PCB, fixture systems, profiling software tools with prediction.

EpoTek www.epotek.com

(MI/OH)

- High performance adhesives, coatings, potting, underfill, corner bond, medical, fiber optic, etc.

Distribution product lines

AIM Solder product

www.aimsolder.com

(MI)

- Industry leading manufacturer **solder paste, wire, flux and bar solder** for the electronics industry.
- Chemicals and cleaners** for use with our many solder pastes and epoxies.
- A variety of **epoxy** and underfil products for printing and dispensing applications.

Transforming Technologies

www.transforming-technologies.com

(MI/OH)

- Local (Toledo, Ohio) complete solution for **ESD Control** products at a fair price
- Locally sold and supported - **Ask for your ESD Survey or training today!**

DOU YEE

(MI/OH)

www.douyee.com/en/products/18/packaging

- Global supplier and leader of **ESD Bags** at a fraction of the cost of the "Leading brands" of shielding bags. Let us provide you a quote and save you some money on this highly used consumable items. Huge US inventory.
- ESD Shoes, booties and other ESD control products also available

IAC Industries

www.iacindustries.com

(MI)

- Industry leading **workstations, benches, cabinets, chairs, shelving, lab furniture, and carts**
- IAC Products are Made in the USA in the Brea, CA factory. Fast shipment.

JBC Tools

www.jbctools.com

(MI/OH)

- Industry leading and innovative high tech **soldering stations, rework and repair, hot air systems and fume extraction.**
- NEW- JBC Net- monitor and control** all your stations and have real time feedback on your phone or computer!
